We do not accept .GIF or .PUB files

- All fonts must be converted to outlines
- Non-photographic art needs to be provided in vector format
- All photographic images must have resolution of 300 dpi
- We cannot use graphics that have been pulled from a Website
- All linked graphics must be included.
- Specify PMS colors used in file when applicable

SENDING FILES

EMAIL file to sales@cdproductsinc.com
- If the file is larger than 10MB, please ZIP it. If it is still too large, see the **UPLOAD ONLINE** option below.
- Also include a PDF file or a low res .JPG of the final layout so we can verify that the file we receive looks as it should.

UPLOAD ONLINE is ideal for large files.
- **Uploading procedure:**

    Go to our website **www.cdproductsinc.com** and click **FILE UPLOADS** in the upper right hand corner. Follow instructions on screen.

    There are 2 options to upload files:
    1 - use WeTransfer link
    2 - using your ftp software, upload to our ftp site
    Host: ftp://ftp.cdproductsinc.com
    Username: cdproducts
    Password: cdUploads4

- It is suggested you also send a PDF file or a low res .JPG of the final layout to our regular email address: **sales@cdproductsinc.com**, so we can verify that we received the uploaded file properly.
